

**Part A Directions:** Conduct reverse image searches to identify the culturally significant iconic images from the 1960s-1990s on display. Each image is either from a major news event or a pop cultural phenomenon of those decades. Each image you identify correctly is worth one point up to a maximum of 100 points. Identifying all 117 images will earn a 105%. **Part A counts as 50% of a project grade and is due on Wednesday, May 22, 2019.**
